RECORD SCRATCH

...what you mean?

Don't play dumb.

Are you still mad at me?

...I saw those texts.

WIND THROUGH TREES

...yeah. I'll explain.

I was really furious...

I kept waiting...

and waiting...

I couldn't stop dreaming about you...

And when reality didn't match that...

...I couldn't hold it anymore.

So when I saw your posts...

I just—

BURST.

I just...
i care about you
,so much .

I didnt wanna
lose you.

...I know it
was messed up.
Rage baiting
you like that...

I became...desperate.

i was going through
the darkest days
of my life

...oh.

y'know...
I really thought you were turning into a bully for a second.

a bully??

BONK

that's...
three punches for you now😜

only three?
I thought I was in double digits.

don't beg it.

=3

...c'mere.

you don't always have to fight everything, you know...

...y'know...

I been thinking...

...I wanna get away from here.

...to out there.

...where it's quiet.

...with you.

...yes.

squeez

...but we'll get there.

we may not be there now...

for now...

...we can rest here.

just for a while.

...I've been looking at something.

somewhere I can just... breathe.

ding!

...oh.

THIS FOOD IS MID!

This is... a lot.

Hey hey! Let's take a breather—

One team, one camp.

You good?

Whatever.

I don't really talk to people.

They think I'm weird anyway.

I know that feeling...

I used to feel the same way.

Like no one really got me.

But then I found people who did. And it changed everything.

You just need one person to see you.

You don't have to be loud to belong here.

You just have to be you.

...you think I could try?

I know you can.

This is where I belong.

This is what I'm meant to do.
